

25-53535

I attempted to complete the credit counseling electronically. I was traveling in Guatemala and returned yesterday 3/30/25. My house is scheduled for auction tomorrow 4/1/25. Due to the poor internet connection in Guatemala I was unable to stream the content of the course. I was unable to complete it this morning prior to filings although I attempted to do so. Only I need a little more time to properly complete the course.
